Chorus sings Mr Rogers song as Mr Rogers enters the office. A worried look sits upon his face. Secretary intercoms to Mr Rogers.

Secretary: Mr Rogers, The 90's TV Heroes you sent for have arrived.

Mr Rogers: Thanks Wendy. You may send them in. Sure.

The heroes stroll into the office.

Ronald McDonald: Hiya...Hiya, Hiya

Mr Rogers: Please, Have a seat.

Heroes sit.

Mr Rogers: It's a not so beautiful day in the neighborhood. I've gathered each of you here for a special purpose. Fox Moulder from the hit TV series, the X-files. I have chosen you do to your talents with weird unexplained phenomena and icky-sticky creatures of the underworld. Blossom, over the years I've watched you blossom into a peppy, loopy, ball of energy as Blossom on Blossom.

Fox Moulder: Scully, What exactly are we doing here?

Blossom: My name's not Scully it's Blossom!!

Blossom and Fox argue briefly and Mr Rogers turns toward Ronald.

Ronald McDonald: Hiya...Hiya, Hiya

Mr Rogers: As ambassador of MacDonald land, your experience with Happy Meals and Balloon Animals as well as your general zesty personality and big feet should prove to be useful. And finally, I turn to the man with the extraordinary abilities to lead these good natured TV folk on their most excellent adventure. Ace Ventura, Pet Detective.... WAIT!! It looks like something's coming on the Big Monitor. Sure.

Our Heroes look to the back of the audience and find Lord Cold Prickly on the Big Monitor. Chorus sings the Cold Prickly song.

Lord Cold Prickly: Here me, You pathetic weak greasy haired monkeys. My birdless feathers have captured your stanky-squeaky simpleton Elmo!

Our Heroes gasp with surprise.

Heroes: Tickle me Elmo! Oh My!!

Mr Rogers: Sure.

Lord Cold Prickly: You have less than 24 hours to save him or he'll be tickled to death. You skank monkeys!! You couldn't save a camper from instructional swim. HA-HA-HA!!!

The screen turns off

Mr Rogers: I had a warm feeling that Cold Prickly was involved. You'll need to stop Lord Cold Prickly's minions. Use these supplies to ward them off. Warm Sunny D's and Fuzzy Marshmellow balls will halt all evil. But beware of the horrible most dreaded...

Chorus sings Tyson song.

Ace Ventura: Alrighty then !!! Let's Move out.

Heroes walk out of the office and around behind the fireplace.

ACT II - McWain Mountain

Our heroes walk through the crowd and up on to the stage.

Blossom: Mr Rogers said that the ancient and all mighty Chefski is the only one who might know the whereabouts of Cold Prickly's Lair.

Ronald McDonald: Hiya...The ancient and all mighty Chefski lives on top of McWain Mountain. It's going to be a tough hike.

The heroes hike down towards Alberts Cabin and then climb the hills with rope. Chefski is trapped behind the tennis court gate with a gag. As all the heroes arrive at the crest of the hill Chefski is mumbling in distress. Fox draws his gun and shoots the lock off the gate. Ronald pulls the cloth out of his mouth.

Ronald McDonald (waves): Hiya!

Chefski (yells): It's a trap!!

Junior Mafia engages heroes.

Chefski: It's the BRC Junior Mafia

Blossom (blushes): Oh My!!

Fox grabs the backpack and immediately halts the Jr Mafia in their tracks.

Fox: Sunny D?

Jr Mafia (They Freeze): What?

Fox: Marshmellow Balls?

Jr Mafia: Yeah, Sure!!!

The Jr Mafia eats and drinks.

Jr Mafia (as they lay down to sleep and the bell rings): Rest Period!!

Chefski: Nice work my mighty friends. Everyone knows that Mr Roger's Sunny D's and Marshmallow balls are both Warm and Fuzzy. I will take care of these guys, you should move on to Lord Cold Prickly's Lair.

Ronald: Hiya... We were wondering if you could tell us where to find Cold Prickly.

Chefski: Lord Cold Prickly's Lair is a mobile caravan that is currently traveling in the Lowlands. You must save Elmo soon, I sense his weakness. To defeat Cold Prickly you must use the one thing he despises the most.

The heroes think a moment and then snap.

Heroes: WARM FUZZYS!!!!

The heroes walk down behind the fireplace as they wave goodbye and say their goodbyes and thank yous.

Heroes (Random and Sporadic): Goodbye, Thank you, Goodbye!!

ACT III - Lord Cold Prickly's Mobile Lair

Heroes walk through crowd towards the road and arrive on the scene. The vehicles back into place. Cold Prickly is in a throne in the back of the pickup and a lady prisoner is chained at his feet.

Lord Cold Prickly: Halt!! I don't know how such stupid squids could find me but I plan on destroying you all.

Ace Ventura: Alrighty then!! This guys a looooooser!!

Lord Cold Prickly: Your puny insults and wise cracks just make me stronger. Do not forget I have your chump Tickle Me Elmo!!

Door slides open on van and exposes Elmo to the crowd. Feathers are tickling him and Elmo is laughing uncontrollably. Moulder turns to Blossom.

Fox: Scully, the feathers have no birds and at that rate of tickling combined with Elmo's energy exertion-remembering, of course that he's a muppet with a very small sternum.....

Blossom cuts him off.

Blossom: It's Blossom! Blossom, Blossom, Blossom!! And I happen to think that laughter is very pure and wholesome and allows the inner beauty of a person to warm the hearts of.....

Lord Cold Prickly cuts her off. Door on van closes.

Lord Cold Prickly: Hey, Shut Up!!! You obnoxiously moronic do-gooders. Now that you have stupidly fallen into my trap I will avenge all the dastardly evil TV villains who were always stopped by punks like you.

Ronald: Hiya...Hiya,Hiya.

Lord Cold Prickly: Meet your doom, TV fools!! Tyyyyssoooooon!!!

The door on the other van slides open and Tyson jumps out

Tyson: Okay guys! Let's get ready to rumble.

Ace Ventura: *(in a mocking girly way)* OOOooooo!!... we're gonna get beat up by Iron Mike Tyson. I'm shaking, Blossom protect me. *(Loud and serious)* Bring it on Beefcake!!!!

Tyson comes up to the closest hero, Ronald.

Ronald: *(Awkwardly questioning look with a wave)* Uh Hiya???

Tyson lunges at Ronald and bites off a section off his ear. Ronald yelps in pain. Moulder draws his gun and points.

Fox: What in the name of Darwin is that thing?!!

Ace: (to Moulder): Stop my good man. No need for common weapons.

Ace turns towards crowd.

Ace: (Yells) Let's get physical!!!

Chorus sings Olivia Newton John's "Physical". Ace growls and barks and attacks wildly. Ace gnaws on Tyson and Tyson runs off yipping and whimpering.

Lord Cold Prickly: (Laughing) You managed to defeat my minions but even with all of you working together you are still no match for me. Ha-Ha-Ha!!!

Mr Rogers: (yells) But Wait!!!

All actors freeze. Mr Rogers turns to the crowd with pens and papers and asks for assistance in defeating our enemy. Mr Rogers pleads with the crowd to write a warm fuzzy to Lord Cold Prickly and then at the right time everyone will throw the warm fuzzys at Lord Cold Prickly. After a couple of minutes the cast will start to move again. Our heroes will randomly begin giving verbal warm fuzzys to Lord CP and he will show a brief sign of pain and then stand tall again. After a couple rounds Cold Prickly Laughs.

Lord Cold Prickly: You see you will never defeat me. Ha-Ha-Ha!!

Blossom: We just don't have enough warm fuzzys to defeat him.

Mr Rogers: Gentlemen of Birch Rock show him your kindness. Hurl your warm fuzzys at Lord Cold Prickly and destroy his villainous reign.

Cold Prickly melts away into nothing. The heroes then run to Elmo's van and throws the door open. The birdless feathers swarm towards the entrance of the van.

Ronald: Hiya... I've got birds for those feathers. Chicken Nuggets!!!

Ronald pulls out some chicken nuggets and all the feathers lunge out and stick into the nuggets.

Heroes: Long live Elmo!! And his warm fuzzy ways!!!
